

種苗四步曲

4 Steps to Tree Planting

1

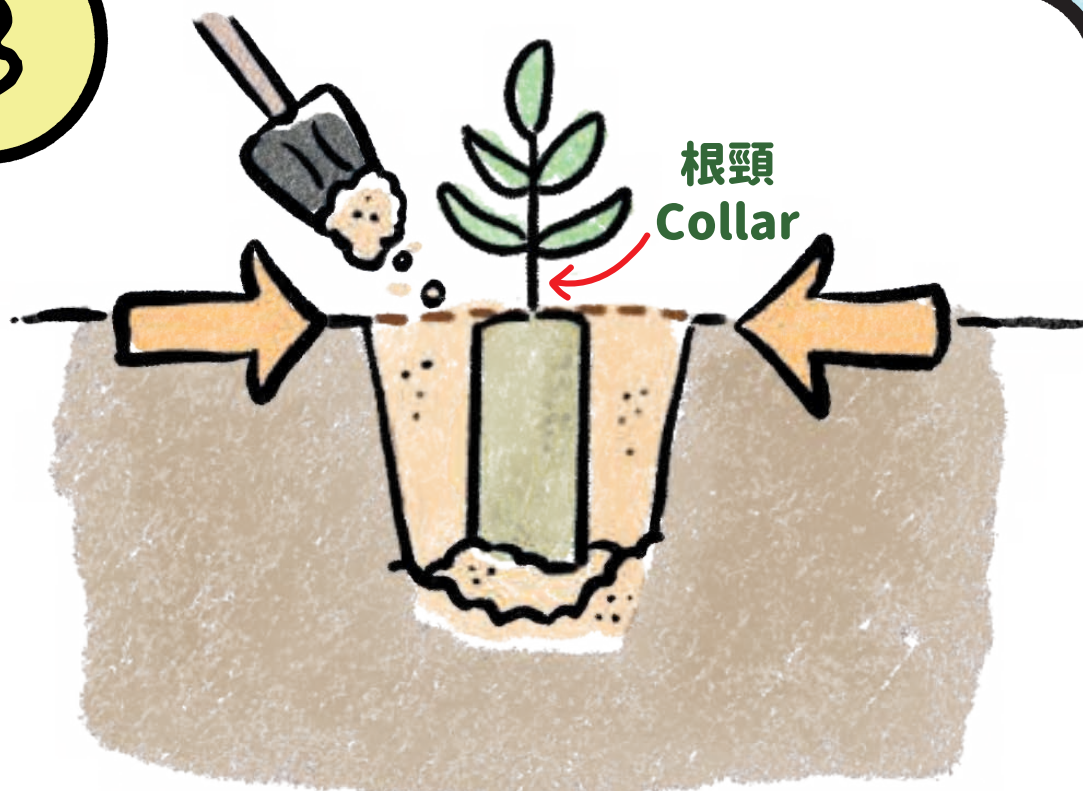

選泥窿
Choose a pit

2

拆包裝時勿讓泥土鬆脫，
收好包裝帶走
Remove packing without disturbing
the soil, dispose the packing later

3

填入泥土令根頸與地面齊平，
再填滿

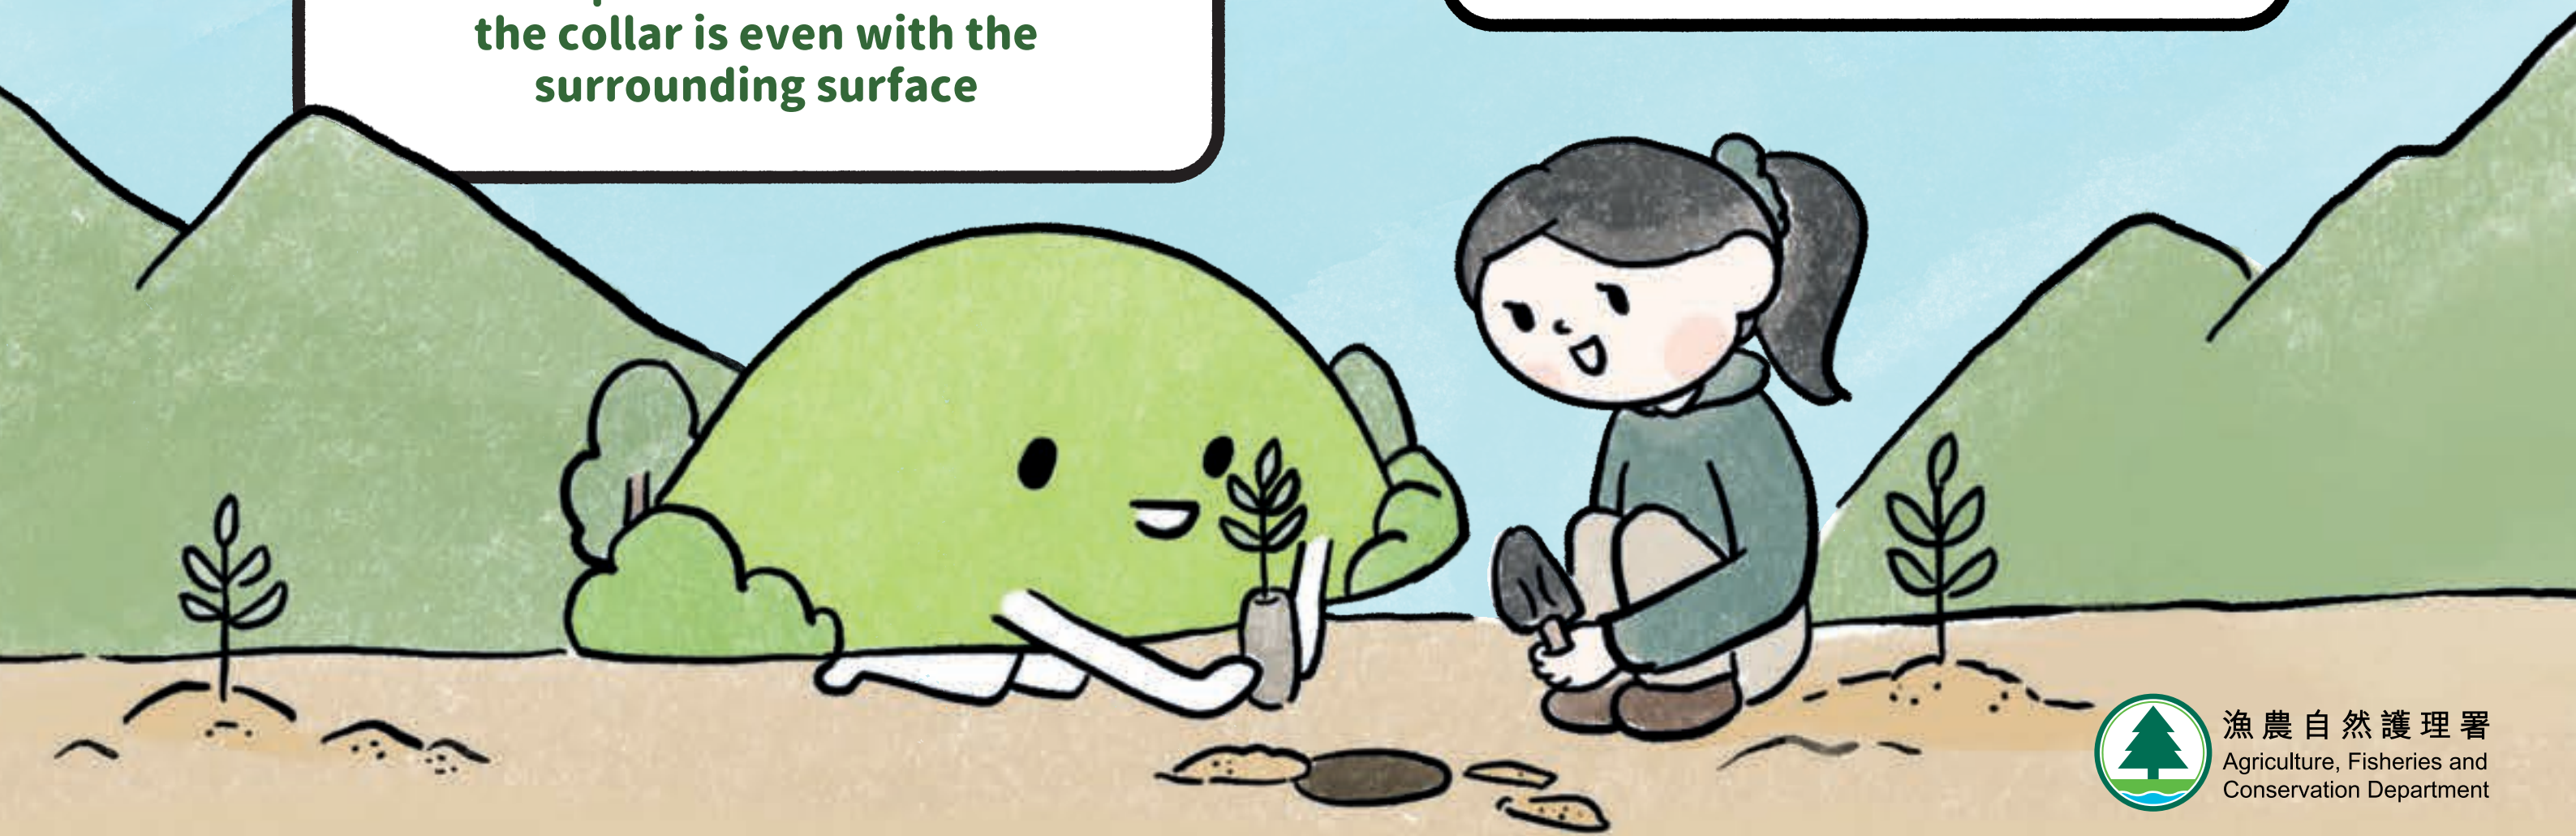

Fill the pit until the soil line of
the collar is even with the
surrounding surface

4

擺正樹苗，再踏實泥土表面

Hold the seedling in position,
gently tamp the soil around
the seedling
